ELECTRONIC ACCESS CONTROL WITH AUDIT

New Heavy Duty Electronic Access Control Cabinets

The electronic access controlled lock allows for 250 users. Access is via personal identification numbers and or HID proximity cards. The lock operates with 6 AA batteries. The lock records 1500 access attempts (i.e. who entered, date and time). The Data from the lock can be downloaded to a computer with the provided software.

- Heavy duty all welded 14 gauge steel construction
- 3-point cast steel locking handle with 3/8" diameter rods and provision for a padlock (padlock not provided)
- Shelves bolt easily into place with the hardware that is provided
- Full height recessed doors with 7 gauge leaf hinges to prevent sagging
- Available with solid door on right and a windowed door on the left, or with both
- Electronic lock has the ability to store audit trails
- Traceability has helped some users reduce inventory consumption by 30%
- 6"H legs, provide access for forklifts and have predrilled holes allowing for lagging to the floor. (Constructed of 3/16" steel)
- Durable textured gray powder coat finish

HOOK-ON BINS®

BY DURHAM MFG

- **Manufactured by Durham MFG.**
- **Available in 3 Colors, 5 Sizes**
- **Dividers can be placed horizontally or vertically**
- **Made of durable polypropylene**

Hook-On Bins®

- Molded using durable polypropylene plastic
- Back tabs allow Hook-on Bins to hang from louvered panels
- Specially molded top edges allow stacking on any shelf
- Angled front edge makes it easy to see contents and to pick parts
- Additional ribbing and double wall front is incorporated in the design for increased rigidity and to prevent warping.
- Slots in front hold identification tags, cards or labels
- Molded finger grips make handling easy and comfortable
- Model PB30250 has slots for 3 dividers; all other models can accommodate 1 divider
- Dividers can be placed horizontally or vertically
- Divider break away features allow sizing of the dividers so you can access to all products when bins are stacked
- Fit neatly on other cabinet and shelving brands
- Optional lengthwise dividers are available

WARRANTY, TERMS & CONDITIONS

Warranty

The Durham Manufacturing Company warrants that, at time of shipment, the products manufactured by Durham are free from defects in material and workmanship. Durham's obligation under this warranty is limited to replacement or repair of such products within one year from the date of shipment. No material is accepted for replacement or repair without the written authority of Durham. A decision as to whether a defective product will be replaced or repaired

will be made only after an examination of the product at our plant. Durham is in no event liable for consequential damages, installation costs or other costs of any nature as a result of the use of the products manufactured by Durham, whether used in accordance with the instructions or not. This warranty is in lieu of all others, either expressed or implied. No representative is authorized to assume for Durham any other liability in connection with Durham's products.

Payment Terms

The terms are net 30 days for all companies with approved credit. To establish credit, submit: signed Durham credit application, resale certificate, one bank and three trade references.

Minimum Order

\$25.00

Freight Policy & Terms

All shipments are made FOB shipping point. Because of our freight volume, we receive deep discounts from a wide range of large national carriers. Customers are invited to contact our Inside Sales Department (1 800 243-3774) Ext. 7300 or 860-349-3428 and discuss how they may take advantage of discounted freight. Small package service is available utilizing UPS or Fed Ex Ground for many of our products.

METHOD OF SHIPMENT

Orders will be shipped by specifically requested carriers whenever possible. If there are no special instructions, Durham will ship via the best available routing, prepaid & add.

Returns

Returned goods will not be accepted without a *return authorization number* which can be obtained by calling Inside Sales. All returns must be shipped back in the original cartons and packing material, freight prepaid. All

returns are subject to a 25% restocking charge. Custom or modified items are non-returnable.

Packaging

All possible care is taken to ensure safe, damage free shipment. Special packaging has been designed for every SKU and is packed to industry tested standards.

Foam inserts, corrugated inserts and Sus-Wrap are used wherever applicable. Palletized shipments are stretch wrapped. Special requirements for carton identification i.e. part numbers or bar coding, can be met.

Disclaimer

Durham Manufacturing products shown in this catalog are subject to change without notice. Durham has made every effort to illustrate and describe products in this catalog accurately; however, illustrations and descriptions are for the sole purpose of identification and do not imply a warranty that the products are fit for a particular purpose. Durham reserves the right to correct publishing errors. Note that shipping weights are approximate.
