### Limited Lifetime Warranty:

We stand behind the quality of the products we manufacture & redistribute. In the unlikely event a product fails, warranty will be granted quickly and unconditionally, providing the products were used for the application intended. - Used for purposes other than those, which it was designed for.
- Overstressed or over torqued.

Products such as ratchets, flex handles, universal joints, and adjustable wrenches require periodic maintenance and repair. When a product needs repair due to normal wear and tear, the repair will be at the customer's expense.

### Products that carry a limited warranty:

The following products do not qualify for lifetime warranty:
